FLOWERING TREES
FRUIT TREES

Member of the New Jersey
Nurserymen's Association

Every item in this catalogue is either potted or balled and burlapped. This means no time lost while waiting for plants to be dug during the busy spring season.

---

Your order can be filled quickly. No waiting for pool trailer loads to come from distant states.

---

All soil used in potting has been sterilized and is weed free.

---

Potted stock gives the advantage of a longer selling season and plants are easier to maintain.

---

The pots we use are made of a special material and are easy for your customer to remove and dispose of.

---

All our potting is done during the winter months and plants are then carried over in protected frames. Early potting results in good root action. Plants will get off to a good start when your customer places them in the garden.

---

A small deposit will reserve your order for any delivery date.

# POTTED ROSES

## OUR LEADING SPECIALTY

Grown in the fabulous San Joaquin Valley of California, the best rose growing area in the United States.

Carefully selected 2 yr. old # 1 grade.

---

Will produce an abundance of flowers this spring and summer.

---

Potted in sterilized soil which is weed free.

---

Clean healthy plants—no black spot or mildew—kept clean because they are sprayed regularly with Ortho Rose Garden Fungicide which contains 75% Phaltan. The worlds leading rose spray.

---

These fine potted roses when displayed in your garden center or sales yard will attract customers all during the selling season.
They can be safely planted from late April to the end of June.

## TERMS AND CONDITIONS OF SALE

THE PRICES in this list cancel all previous lists. They are based on current market conditions and are subject to change without notice. All agreements and contracts are made subject to crop losses through unavoidable causes.

---

**TERMS:** 30 days net from date of shipment. Interest at 1% per month to be paid after maturity. (These terms are offered to those of established credit.) Cash, security or satisfactory references are required from unknown parties. All shipments are F.O.B. Moorestown, New Jersey, unless otherwise agreed.

---

**CLAIMS:** All sales are made with the understanding that we shall not be liable in event of crop loss or of damage from other causes over which we have no control. We will gladly correct any errors, but **"we cannot entertain any claims that are not made within ten days after receipt of the stock or are made after the stock has once been accepted."** Claims should be made promptly in writing on receipt of stock.

No claims will be honored unless authorized personally by a representative of Moorestown Gardens, Inc.

All orders booked are based on the distinct understanding that the purchaser agrees to the conditions of sales as stated above.

---

**LOCATION:** We are located near Exit #4, N. J. Turnpike; also close to Rt. 73 — 5 miles from the Tacony-Palmyra Bridge.

We welcome you to visit our nursery and greenhouses.

You will enjoy seeing Moorestown, one of the prettiest towns in New Jersey.

**Prices Subject to Change Without Notice**

For All Your Potting Needs
